

FREE Dental Screening at School

A dental screening is a quick assessment by a Registered Dental Hygienist who will take a look inside the child's mouth. A separate, sterilized mouth mirror is used for each child. If a child is identified, a form will be sent home and the parent may be contacted by a dental staff member. A re-screening may be required.

Peel Public Health provides dental screening in select grades in Peel elementary schools as required by the Ontario Ministry of Health and Long-Term Care

Where: Sacred Heart

When: May 23, 2019

Grades: JK, SK and 2

If you **DO NOT** want your child to be screened, please visit
